V. Declaration and Consent

I, _____, hereby apply for certification offered by ABIPP subject to its rules. I understand that the ABIPP may use information accrued in the certification process for statistical purposes and for evaluation of the certification program. I further understand that ABIPP will treat any patient information I submit confidentially. I understand that ABIPP reserves the right to verify any or all information on this application, and that if I provide any false or misleading information, or otherwise violate the rules governing the ABIPP certification, so doing may constitute grounds for rejection of my application, revocation of my certification, or other disciplinary action.

I understand and agree that in the consideration of my application, the ABIPP may review and assess my moral, ethical, and professional standing (including but not limited to any information regarding any disciplinary action related to the practice of medicine by any state licensing agency or any institution in which I have practiced or have applied to practice medicine).

I attest that I will notify ABIPP immediately should any of the following events occur: 1) change in my license status; 2) any past or future conviction related to the conduct of my practice or for any crime relating to medical practice, health, safety or patient welfare; or 3) being placed on probation by my licensing board or by any court-ordered probation.

I pledge myself to the highest ethical standards in the practice of interventional pain management.

I have used all reasonable diligence in preparing and completing this application. I have reviewed this completed application and, to the best of my knowledge, the information contained herein and in the attached supporting documentation is true, correct, and complete.
